
International Engineering

Today's engineers stand on the shoulders of giants and at the forefront of technological excellence. No modern gadgetry, medical equipment or transport device would be accessible without the engineer. From Leonardo da Vinci to Isembard Kingdom Brunel and Jack Kilby to Peter Rice, engineers have been instrumental in shaping and designing our world. The engineering & construction sector is one of the most exciting sectors in the marketplace, offering an array of opportunities.

At Brightwater, our Engineering & Construction team comprises specialist professional recruiters with backgrounds in engineering and in-depth knowledge of the market. We create, manage and deliver bespoke recruitment solutions to individuals and companies in all sectors of engineering.

Our areas of expertise include:

- *Civil*
