
Fund Services

Essentially made up of investment funds operated by global banks, but located, managed and administered in Ireland, particularly in Dublin, where the IFSC provides an anchor for the industry, the fund industry itself has grown phenomenally over the last decade. The single largest employer in the international financial services sector in Ireland, it services over €1 trillion in assets and is recognised globally as a centre of excellence.

At Brightwater, our Fund Services team focuses solely on the fund services market thus offering both clients and candidates a highly specialised expertise and in-depth market knowledge. Recruiting for permanent, temporary and contract positions, our Fund Services division comprises skilled finance professionals and experienced recruitment consultants.

Our areas of expertise include:

- *Fund Management*
- *Shareholder Services*
- *Trustee*
- *Custody*
- *Client Services*
- *Transfer Agency*

An increasing number of international funds managers and finance houses with a presence in the traditional city locations have now spread their operations to include regional hubs, thus providing opportunities to those not wishing to relocate to develop their careers. The funds industry is set to experience strong growth in the foreseeable future and offers superb opportunities to work in a vibrant and rewarding business.

We recruit for an array of roles, including:

- *Head of Shareholder Service*
- *Head of Trustee*
- *Senior Fund Accounting Manager*
- *Custody Manager*
